GRANGERYOUTH

**Grange Youth and Young Adults** come from a wide cross section of backgrounds committed to improving their communities. From our rural farms to our towns, Grange Youth and Young Adult programs provide community service and outreach opportunities, scholarships for higher education, leadership training and fellowship.

With the tools provided through Grange Youth programming, we build bridges between all generations, and connect families to communities.

**Grange Youth become leaders.**

The National Grange advances youth across the country to become skilled, proficient and compassionate leaders by learning through experience. Grange Youth programs empower members by developing leadership skills such as public speaking and participating in meetings as voting members.

**Grange Youth serve their communities and cultivate life-long friendships.**

The Grange has positively impacted the lives of Americans for generations through its youth programming. Government leaders, leading agriculturalists, businessmen and community leaders have all recognized the Grange as one of the earliest influences that prepared them for their careers and to advocate for rural issues.

“One of the mightiest armies in America today is that of our youth.”

## Youth-Specific Programming

### Horizon Leadership Program

Annually, the State Grange selects Youth Ambassadors between the ages of 16 to 22 and Young Adults or Couples between the ages of 22 to 36 to represent Oregon’s Youth Program at the National Grange Convention.

### State and National Youth Officer Teams

The Youth Officer Teams are hallmark groups of Grange Youth selected through a competitive process. Daily practices during the annual conventions prepare the team to perform an impressive drill and open one day of the State and National Sessions.

### Young Adult and Teenager Recognition

Members receive recognition during the State Grange Convention for their participation in Community Granges and for an essay they submit.

### Public Speaking and Sign-A-Song Contests

Delivering prepared and impromptu speeches and radio spots develops public speaking skills and builds self-confidence. Grange members can learn sign language, develop awareness of the hearing impaired and use sign language to communicate the words of a song. Winners represent Oregon at a regional competition.

### G.R.O.W. Club

The G.R.O.W. Club is an alumni program for Grange Youth who have represented Oregon at National Conventions. Members continue to “go right on working” for the Grange at all levels. The Club sponsors an annual scholarship for a Grange member to further his/her education.

### Achievement Awards

The National Grange Youth Achievement Award program recognizes youth for their service at all levels of the program. Focus areas include public speaking, legislative experiences, deaf education, drill and professional development.

### Grange Family of the Year Award

We recognize the accomplishments of a Grange family in their local community as an example for members and non-members.

### National Grange Legislative Experience

Each year, a Grange Youth is given the privilege to take an active role in the legislative policy development of the organization by serving on policy development committees to review proposed resolutions and assist the Legislative Department staff at the National Convention.
