

Recycle Craft

(Oregon Contest)

Empty milk jugs can become bird feeders, masks, skeletons, garden lights, sandwich containers and more. The possibilities of recycling your empty milk jugs into something new and usable are endless. What will you create?

Rules:

- Using whole plastic milk jugs (any size) or pieces of jugs create something new.
- Adult participation should be limited to supervising and minimal assistance on any cutting and/or assembly.
- If larger than a shoe box or you will not be able to transport this craft, please take and send a photo to JRdir@orgrange.org.
- Judging will be based on creativity, originality, and use of material.
