Chapter 1 - The Grange Is...

What is the Grange

The Grange is a family, community organization with an historic basis in agriculture. Founded in 1867, the Grange was formed as a national organization with a focus on local issues relating to the farm families. As the Grange has progressed, our members are given the opportunity to learn and grow to their full potential as citizens and leaders.

The Family is the foundation of the Grange organization. For 125 years, children age 5 to 14 have participated in the Junior Grange program. This helps the youngest members of the family learn about community values, citizenship and leadership. Full membership begins at age 14, and continues building leadership skills into the young adult years. Women have been equal members since the inception of the Grange in 1867, which completed the full family involvement.

The Grange Organization

The foundation of the organization is the Community Grange, which can be found in rural, suburban and urban communities. Faith, hope, charity, and fidelity are the basic lessons of the Community Grange. To learn more, see the Declaration of Purposes.

The Grange has four levels, Community, County or District, State, and National to ensure that the membership has a voice at the appropriate place. Our membership sets the direction and activities for their Community Grange in true grassroots fashion, and those decisions rise up to the national level.

Nonpartisan legislative advocacy, educational programs, service projects, and social interaction and networking are just a few of the ways local Granges serve their communities and members.

The Junior Grange

Chapter 2 - Leadership in the Grange

State Directors of Junior Grange Activities

The position of State Director of Junior Grange Activities is typically appointed by the State President of the State Grange in which they live or server.

Duties include promoting the Junior Grange work in the respective states. Establish programs, projects, contests, and activities specifically designed for individual states and to provide materials and resources for these programs.

Programs center on Community Service, Conservation & Environment, Creative Writing, Crafts, Family Issues, Grange Work, Merit Badge, and Safety. Programs can be tailored to each area or State in order to meet the needs of the Junior Grange members in the communities.

The State Director promotes communication among the community Junior Leaders, Junior Deputies, a State Junior Committee, the State Grange President and the National Junior Grange Director. Information and idea-sharing is necessary to meet the needs of the Leaders and the Junior Grange members.

State Grange Junior Deputies and State Junior Committees

The State Grange President may choose to appoint Junior Grange Deputy State Masters. These adult members are resources for information on how to apply the By-Laws to organize Junior Granges. State Grange Masters have the latitude to appoint one Junior Grange Deputy for a State or several to cover different regional areas.

State Junior Grange Committees can be formed by adult members to assist the State Junior Grange Director and/or Junior Grange Deputies. The committee members can be appointed from specific areas of a State to promote projects, activities, and assist with Junior Grange work where needed.

Subordinate/Community Junior Grange Leaders

It is truly an inspiring experience to be a Junior Grange Leader. Investing time to help direct the leadership potential in our young Grange members is invaluable.

The Junior Grange program promotes honor, patriotism, leadership and critical thinking. In all phases of Junior Grange work the Junior Leader guides and suggests, providing children the opportunity to assume age-appropriate responsibility. The Junior Leader(s) are there to help the Junior Members grow and develop their potential.

The Junior Grange Leader should set the expectation for Junior Grange members to live their principles, not only in their meetings, but on a daily basis. Junior Grange meetings and activities should focus on the goals of the Junior Grange program, but adapt to the community and personalities of the members. At all times, children should have fun while they are learning.

The Junior Leader may ask adults to supervise one specific area similar to: an Animal Husbandry Leader, Crafts Leader, a Junior Grange Ritual Leader, Home Arts Leaders, Community Service Leader, etc.

Any Committee in the Grange is expected to report to the Leader who, in turn, reports the committee actions to the Community Grange President and members.

Chapter 3 - 1+ Program

1+ Program - Individual Junior Membership Class

At the 2013 Annual Session of the National Grange, in Manchester New Hampshire, the delegates adopted changes to the By-Laws allowing an individual membership class for Junior Grange age children (5 to 14) to become members of a Subordinate/Community Grange when no chartered Junior Grange exists.

Purpose of the 1+ Program

The 1+ Program allows your Grange to build a Junior Grange program one member at a time. These individual members become the core group to build a chartered Junior Grange program. Many children have not had the opportunity to participate in the Junior Grange program because of the number of children required to charter a Junior Grange.

The 1+ Program allows children (age 5 to 14), the opportunity to become an individual Junior Grange member within a Subordinate/Community Grange. The children do not have a vote in the Grange, but are eligible to earn merit badges, participate in all Regional, State, and National programs, contests and activities on an equal status with members of the chartered Junior Granges. This would also include the National Youth Fair program where it has been adopted within a State.

Sponsorship

For the 1+ Program, the Subordinate/Community Grange will:

- Appoint a Junior Grange Leader
- Provide a meeting place
- Provide financial assistance as necessary
- Granges may dedicate specific fund raising projects for the Junior Grange program

- Occasionally provide meeting time for the individual Junior Grange member(s) to report on their projects i.e. completing a Merit Badge requirement.
- Organize a chartered Junior Grange when there are sufficient individual members to meet that requirement. The individual members shall automatically become members of the newly organized/reorganized Junior Grange. (Please refer to National Grange By-Laws, section 4.6.2 for complete details)

How to become a 1+ Program Junior Member

- An individual child, age 5 to 14, will complete a Junior Grange Application and submit it to the Sponsoring Grange.
- The Junior Grange applicant shall be obligated by the Master of the Subordinate/Community Grange. This is completed by using the Obligation Ceremony for Individual Junior Grange Membership printed at the end of this chapter.
- Once obligated, the Subordinate/Community Grange Secretary will enter the new Junior Grange member on the rolls of the Grange.
- Minimum dues for Junior Grange members are \$1.00, and are subject to change per individual State Grange policies.

National Junior Grange 1+ Program
September 2014

Upon submission of a Junior Grange application, and election to membership by the Subordinate/Community Grange members, the individual Junior Grange member will be obligated to membership, using the following procedure:

Subordinate Officers Participating: Master, Lady Assistant Steward, Assistant Steward

During the appropriate agenda item for Obligating new members, the Master will say:

Master: *(from his Station)*

"Worthy Assistants, please escort our newly elected Junior Grange candidate(s) to the Altar for the Junior Grange obligation."

LAS and AS will conduct the Junior Grange candidate(s) to the Altar, asking the candidate(s) to stand in the center, facing the Altar and the Master. The assistants stand next to the candidate(s), forming a semi-circle with the candidates in the center. The Master will approach and stand between at the Altar with his back to the Graces stations.

Lady Assistant Steward:

"Worthy Master, it is my pleasure to introduce to you, (give names of candidates), who have been elected to Junior Grange membership in our Grange. They are presented here to receive the Obligation and words of counsel from you."

Master:

"The Grange is a family organization, welcoming all generations in its Halls and meetings. My young friends, is it your wish to join us as members of this Grange? If so, please say 'It is'."

Candidates:

"It is."

Master: *(Direct these words to the parents/guardians of the Junior Granger member(s) facing where they are seated in the Hall)*

"To the parents and guardians of our Junior Grange candidates, your support and guidance is most important of all. We commend you for your foresight in allowing your children to become Grange members. We ask for your continued encouragement and assistance in their participation and growth in the Grange."

Master: *(Face the Candidates at the Altar.)*

"With your election to membership in this Grange, it is my pleasure to give you the Junior Grange Pledge. The Pledge is a simple promise which you freely give to become part of the Grange Family and to live a good life. In turn, the members of this Grange promise to help and support you as you grow into future leaders in your schools and communities."

"Please place your right hand over your heart. I will give the Pledge so that you may clearly understand it:"

(Master gives the entire Pledge slowly and distinctly)

"I promise that I will obey all the rules of the Order, and will treat my fellow members with respect. I will try to follow the good advice of my parents and teachers and will do my best to avoid bad company and harmful habits. "

"I will now give the Pledge in short sentences and ask you to repeat after me."

(Master gives the Pledge, stopping at each pause long enough to allow the candidates to repeat the phrase.)

"I promise -- that I will obey -- all the rules of the Order, -- and will treat -- my fellow members -- with respect. -- I will try to follow -- the good advice -- of my parents and teachers -- and will do my best -- to avoid bad company -- and harmful habits."

Master:

"I welcome you as members of this Grange. Remember, promises are an important commitment. As part of your Grange Family, we promise to encourage you as you continue to grow and learn. We ask you to contribute to our meetings by sharing your discoveries with us. In this way, we may learn from you. We want you to know about the Grange; its past, its present, and, most of all, how you can influence its future."

"When you turn 14 years old, you will graduate from the Junior Grange Program and once again stand at this Altar, taking the next Pledge as a Subordinate Grange member. From this time until then, you have our promise to encourage you along life's journey."

"We extend to you a heartfelt Welcome to our Grange."

"Worthy Assistants, please escort our new members to their seats, introduce them and return to your stations."

The Assistants will pass by the Master, who will shake each members' hand as they pass. After the last member has passed by, the Master will return to his Station.

The Assistants will escort the new members to their seats, introduce them, and then return to their stations.

History of the Junior Grange

Some of the earliest recollections of many rural children are of Grange meetings which they attended with their parents. In this way, the true spirit of this great organization has been deeply imbedded in the hearts and minds of thousands of people.

The first Junior Grange was organized in Texas in 1888. The Texas State Grange adopted a ritual for Juvenile Granges, as they were called at that time, in August 1888. In November 1888, at the 22nd Annual Convention of the National Grange in Topeka, Kansas, the Texas Juvenile Ritual was referred to the Committee on Ritual. The Committee on Ritual reported it back to the body and asked that it be referred to the Executive Committee and the Lecturer of the National Grange to be put in suitable form for Juvenile Granges. At the 23rd Annual Meeting of the National Grange in Sacramento, California, Sister Joe Bailey of Mississippi moved that the ritual of the Texas State Grange for Juvenile Granges be adopted as the ritual for the Juvenile Granges of all the states. On motion of Brother E. W. Davis of California, the subject of ritual for Juvenile Granges was referred to the Executive Committee. At the 24th Annual Meeting of the National Grange in Atlanta, Georgia, in 1890, a ritual for Juvenile Granges was adopted. Jonathan J. Woodman of Michigan, Past Master of the National Grange, is credited with writing the Juvenile Ritual. There have been two very minor changes in the wording of the Junior Grange Pledge in the 1980's, but otherwise, it remains as it was written well over 100 years ago.

From the very beginning of the Grange, children have taken part in the literary programs. In the past, various arrangements were made for the entertainment and instruction of the children of the members of the Grange.

Later on, before the Juvenile Grange was introduced in Michigan, Mrs. Dora Stockman instituted a number of "Four Leaf Clover Clubs" among Grange children of that state. These served as useful purposes in the way of entertainment, character development and the education of the children in these groups. These little groups of Grange children, under the supervision of Sister Stockman, used a little four-leaf clover badge as their emblem. It is rather significant that these little groups were one of the seeds that later grew into our great 4-H Club movement, and also that the club emblem itself was borrowed from the group movement among the Grange children of the State of Michigan.

Ohio was one of the first states to take a vigorous hold of Juvenile Grange work. Mrs. C.

E. Harris was appointed as State Juvenile Grange organizer, and in 1900 organized German Juvenile Grange No. 1 in Drake County. The movement grew slowly at first, but in a few years it began to gather momentum and for some time Ohio was the leading state in this line of Grange activity.

At the 56th Annual Meeting of the National Grange in Wichita, Kansas, in November 1922, National Master Sherman J. Lowell appointed a Special Juvenile Grange Committee consisting of Mrs. Hattie C. Manning of New York, A. B. Cook of Michigan, and Harry A. Caton of Ohio. This committee drew up a careful report of provisions which was the nearest approach to a definite set of rules governing Juvenile Grange work that had ever been adopted by the National Grange. This report formed the basis of the chapter in the Grange Digest relating to Juvenile Grange work.

One of the significant and outstanding provisions of this report was a section, which provided that, in the future; the National Grange would issue dispensations and charters for Juvenile Granges. Before this time, all records of Juvenile Grange work had been kept by the individual states and the dispensations and charters issued by the states.

The report further stated, "That the Ritual and Secret work be changed so as to provide for the same officers as in the Subordinate/Community Grange and the Assistants receive the work from the Overseer the same as in the Subordinate/Community Grange; That the officers be elected annually at the last meeting in December (Note: The times of electing Subordinate/Community Grange officers in a state applies to Junior elections also. Some states elect earlier in the year.); That a Sessions Committee on Juvenile Granges be appointed; That a Juvenile Installation Service be prepared; They further recommended Rules and Regulations that should apply to Juvenile Granges in all states; and that the position of National Superintendent of Juvenile Granges be established, the appointment to be made by the National Master and the Executive Committee." All of these recommendations were adopted.

With a definite set of rules to govern the work, and having been made an integral part of Grange activity under the guidance of the National Superintendents and with the cooperation of the State Superintendents and Deputies, the Juvenile Grange rapidly expanded in size and in its scope of general activity.

The first Juvenile Handbook was issued by Sister Dosisa Eckert while she served as National Superintendent.

It is interesting to note that at first, the Manuals were bound in blue, and the rods and other regalia were also blue, the Subordinate/Community Grange color. Later, dark red

was adopted as the color of the Juvenile Grange, thus giving it a distinctive color. The Manuals are bound in red and the regalia, including the collars, the design of which was adopted in 1926, are also red.

When he was National Secretary, C. M. Freeman prepared a little booklet for the help of juvenile workers; later on, National Secretary Harry A. Caton revised and enlarged the booklet into a "Booklet of Juvenile Information" for deputies and workers. This booklet has been periodically updated. The information currently is part of this publication, "Guidebook for Junior Granges."

In 1929 the National Grange began to issue Honor Certificates to Juvenile Granges who met certain definite requirements. Among the requirements was increased membership, and in this field the advance was remarkable. One of the most useful requirements was one dictating that the Juvenile Grange receiving the National Honor recognition had to perform some community service.

At the meeting of the National Grange in Portland, Oregon, in November 1938, a special program was devoted to the celebration of the Golden Jubilee or 50th Anniversary of the Juvenile Grange as an organization. This anniversary meeting was under the direction of Mrs. Susan W. Freestone of New York, who was the National Juvenile Superintendent.

Up until March 1945 there had been no direct reports of Juvenile Granges through the State Granges to the National Grange, but beginning with the quarter ending March 31, 1945, State Secretaries were required to submit a report each quarter from the Juvenile Granges with a small per capita dues for each member.

At the Annual Meeting of the National Grange in Atlantic City, New Jersey, in 1964, the delegates voted to change the name from Juvenile Grange to Junior Grange.

In 1966 the Honor Grange project was replaced with the Achievement Program. And in 1972 a separate Community Service Contest and the title of Junior Director was established.

A merit badge program was begun in 1970 by Sister Agnes Ingwersen, patterned after a program originating in New York State, with 16 colorful felt badges. Requirements were set up for each badge. Badges covered a variety of subjects including Grange ritualism, citizenship, and presentation of the badges to members. Badges were sewn onto a dark red sash. Shortly afterward, a gold bar was introduced, and soon a green bar was added, with requirements to further the work on the subject of a particular badge. Two

new badges were added to the program in 1978; another two were added in 1979; and in 1982 the program reached its peak, having 25 badges.

At the Annual Meeting of the National Grange in 1978, the title of Junior Grange Leader was adopted by the delegates to replace the titles of Matron and Patron.

The 100th Anniversary of the National Junior Grange was celebrated at the National Grange meeting in Syracuse, New York, in November 1987. Following the convention was a yearlong celebration by Junior Granges across the nation, culminating with another celebration at the 1988 National Grange convention in Redding, California. These celebrations were under the auspices of Mary Beth Heberer who served as National Junior Director at the time.

In 1992 a new project called "Help Save Our Earth" was added to the National Junior Program, encouraging an awareness of current environmental problems and promoting action by Junior Granges in taking steps to help preserve our earth and natural resources. In the fall of 1994, this program name was changed to "Our Earth Needs You."

On January 1, 1995, the Merit Badge program was revised, changing to button type metal pin badges that could be worn on the badge sash or on T-shirts, jackets, caps, etc. The badges fall into three categories and are available for a 4-year period on a rotating basis so that new badges are added every year. This revision in the Merit Badge program was headed by Emalee Colver who was serving as National Junior Director at the time.

In an effort to teach peaceful alternatives to violence, and help children make wise choices in tough situations, the "Stop the Violence" program was introduced in the fall of 1996.

At the 147th Annual Convention of the National Grange in Manchester New Hampshire, the organization kicked off the celebration of 125 years of Junior Grange. At this convention, the delegates also adopted changes that allow Subordinate/Community Granges to accept applications for a Junior Grange class of membership when no Junior Grange is organized. This new class of membership will help kick start the formation of new Junior Granges, while providing these younger members with the opportunity to participate in programs for Junior Grangers.

At that same session, National Junior Grange Development Director, Lillian Booth introduced changes to Merit Badge program. The program was split into two age

groups. Those under age 10 would continue to use the current program, while those age 10 and above would use a new Merit Badge program tailored to this older age group, with more challenging badge requirements.

At this time, the Junior Grange is operating in all sections of our Grange territory, but its greatest strengths are in Ohio, New York, Pennsylvania, the New England States, the Pacific Coast States, and in some areas of the Midwest.

Today the Junior Grange is well organized and has an established record of achievement. It takes its place in the field of the youth movements with a background of service without equal. As we look forward, we seek the challenge of continuing to lead the organization of Grange youngsters so that they may have a progressive and useful influence in their future in America.

National Directors of Junior Grange Activities

Annually, at the National Grange Convention, the National Master appoints a National Director of Junior Grange Activities for the following year. This procedure was adopted in 1922 and has continued ever since. In 1972 the title was changed from Junior Superintendent to Junior Director. The National Junior Development Director keeps in close contact with State Junior Grange Directors, and also with the Junior Grange work across the nation providing resources, materials, suggestions and help wherever needed. Specific work may be delegated to the National Junior Grange Director by the National Master and the National Grange Executive Committee.
