## **Native Plant Section**

- Over 90 species of native wildflowers, shrubs and trees
  - includes native plants that thrive in sunny, shade, wet or dry locations
  - plants good for erosion control, beneficial for birds, bees, and other wildlife
- Available as Pre-Order or during the Sale.
- Each species has an informative display sign.      • Sorry, no tree seedlings this year.

## **Native Pre-Order Form**

Request a form at [skylinegrange894@msn.com](mailto:skylinegrange894@msn.com). Must be returned by 5 p.m. on Saturday, April 8.

## **Bareroot Section**

- Good selection of bareroot fruit-bearing, shade, flowering, & ornamental trees, & ornamental shrubs.
- Most of these bareroot trees and shrubs are not true PNW “natives”, but they have been selected for their compatibility to thrive in our area but will not out-compete plants in our native habitat.
  - Not available on Pre-Order Form.      • Probably no cane berries this year.

## **General Info**

- Resources, information, & handouts. Lists of native plants benefiting pollinating Insects, bees, hummingbirds/birds, erosion control, sunny locations, shady locations. Handouts of care of bareroot trees, proper planting techniques.
- Display of noxious weeds and other weeds of concern.
