

One of our Community Granges had this form by each place setting at an Open House event. These are the activities they listed, but your Grange can personalize this to fit your community. They were each half sheets and even if you are not having a "sit down" event, hand them out at the door. It's a great way to engage your friends and neighbors attending your Grange events, and to let them know that the Grange is available for rentals.

**WE WANT TO HEAR FROM YOU!**

The Anytown Grange wants to know what activities, classes and events you would like to see in our community. Please take a moment to give us your input.
