2017 JUNIOR GRANGE PROGRAM GUIDE

Samantha Wilkins, National Junior Grange Director,

Dear Junior Grange Members, Leaders, and State Directors:

I am excited to take this journey with you as we follow in the footsteps of the Junior Grange to develop a fun and innovative program that is exciting for all Juniors young and 'old' to be apart of!

At National session in Washington D.C. I asked for a show of hands for those who began their 'Grange life' in Junior Grange. The results were astounding as more than ½ of the delegate body raised their hands.

The programs we develop today in the Junior Grange not only help a child to to become a leader but it begins the process of laying a foundation for them that they can carry on for the rest of their lives.

Within this new program guide you will find new requirements for programs, new age brackets for contests, and new merit badges! Also, we have added a 12 month guide for your meetings. This could be something to help a new or struggling Junior Grange get on their feet or just simply take the stress off of a Junior Leader as they plan for their next month's meeting!

Throughout 2017 I look forward to meeting many of you and working to be present in your Grange community, either virtually or in person! This is the beginning of a new era in the Junior Grange program and I am excited for this opportunity to serve you from the Great State of Texas, the same place that the Junior Grange was created.

Thank you all for your continued support and dedication to the Grange! If ever you need to contact me do not hesitate! I am here for you!

Fraternally yours,

Samantha Wilkins

National Junior Grange Director

MERIT BADGE PROGRAM

The Junior Grange *Merit Badge Program* is designed to be an exciting and innovative way for Juniors to learn more about *their world, their country, their state, their community, and their Grange.*

The Merit Badge program has recently been revised and will now be all inclusive into one program manual.

The program is broken down into three categories:

- 1. The Grange Adventure**
- 2. Team Up America**
- 3. Discovery Network**

Each category has a total of 20 badges. There are badges designed to fit every person's interests. After a Junior has completed the necessary tasks to receive a badge the Junior Leader may order the Merit Badges off of the National Grange Website.

It is highly encouraged that each Junior Director promote the use of the Merit Badge program. The completion of badges not only gives each Junior a sense of accomplishment, they are now also a required piece to achieve several awards and be apart of the Ambassador program. With completion of each Merit Badge each Junior Grange member will gain a better understanding of the particular area covered by the Merit Badge. The knowledge will last beyond the time they spent in the Junior Grange.

Merit Badge Manual:

There is now one Junior Grange Merit Badge Manual.. This will make it easier for the Junior Grange members to track their accomplishments and see their achievements. Each badge will have an area for the Junior Leader to sign off that the requirements have been met and completed.

Be sure to check the Junior Grange website where you will be able to download the Merit Badge Manual. And be sure to check back often as there may be new Merit badges introduced throughout the year!

12 Month Guide

This will be a suggested 12 month meeting guide.
Every January a new guide will be produced.
This will give a guideline to how your year of meetings could go.

There will be a suggestion of badges to work on
A low-cost craft you could do
A suggested project or Grange related activity

And many other ideas.

This is meant to be a tool for you to use at your convenience. But, you are not required to follow this guide. Use this to help a leader plan their year, use this to help start a new Junior Grange. OR use this guide when you have a busy month and need to pull a rabbit out of a hat!

Any suggestions for future years guides please send to your National Junior Grange Director at juniors@nationalgrange.org
