

Annual Community Service Report

The Annual Report is a record of the community service projects your Grange sponsored during the year. It also records the time your Grange members volunteer in your community. You may have one large project or several small ones, but your involvement in the community is important.

Projects should involve members and non-members working together. Partner with other groups to generate new ideas to give back to your community. The media is often more receptive to stories about projects involving several groups working together.

Oregon is one of the few states that does not require non-profits to report volunteer hours to maintain their non-profit status, but with rules becoming tighter for non-profits, this could soon be a requirement.

“Everything counts” as volunteer hours on your annual report whether you volunteer for your Grange or within your community.

Involve your members in planning your Grange projects. Generate one new project for the year. A well thought out plan means “success” for your Grange. Refer to “The Endless Sea Filled with Possibilities” book for project ideas.

Subordinate/Community and Pomona Granges are encouraged to do projects and report annually.
