

Community Service Yearbook

The Annual Community Service Report lists your projects with the number of members and non-members participating and the number of hours donated by each. A Community Service Yearbook shows graphically through photographs, newspaper articles, and other documents each project and its impact. The yearbook is not a history of everything your Grange did during the year. It can be a great tool for recruiting new members because it shows what you did in your community!

There are Community Service Yearbooks must be entered for judging at the State Grange Convention by **noon on Sunday June 24**. If no one from your Grange is attending the convention, you may mail your book to the Community Service Director postmarked no later than **June 1**.
