

Minecraft Architects

(Oregon Contest)

The ability to plan and create is a pivotal skill in Minecraft. Lots of work goes into this fun game. We'd like to see your greatest creations in either Creative or Survival categories.

Rules:

- Must be created solely by the Junior after January 2020.
- Include a description of materials used, how you planned it and how long it took.
- Digital entries will only be accepted via email to JRdir@orange.org until **June 1** and must be in PDF format.

Judging will be based on creativity and originality.

There is also a live action Minecraft Architects contest that will take place during the OSG convention in June.
