
Community Service Yearbook

The Annual Community Service Report lists your projects with the number of members and non-members participating and the number of hours donated by each. A Community Service Yearbook shows graphically through photographs, newspaper articles, and other documents each project and its impact. The yearbook is not a history of everything your Grange did during the year. It can be a great tool for recruiting new members because it shows what you did in your community!

Community Service Yearbooks must be entered for judging at the State Grange Convention by **noon** on **Sunday of Session**. If no one from your Grange is attending the convention, you may mail your book to the Community Service Director postmarked no later than **June 1**.

Yearbook Organization:

- Put the name of your Grange on the cover.
- Include a one-page description of your Grange and community.
- Include a Table of Contents with a summary of each project.
- Use a tab to mark each section to match the Table of Contents.
- Limit large projects to four pages and smaller projects to two pages.
- Only include one or two thank you notes from your project.
- If you held a fundraiser, include where the money was donated.
- Place all pages in page protectors.
- Include a copy of your Annual Community Service Report in its own page protector.

Don't Include:

- An officer or member roster or meeting minutes.
- Obituaries when a family used your hall after the funeral.
- Mowing the grass at your Grange hall; that's maintenance, not community service.

Awards:

- 1st place: \$100, 2nd place: \$75, 3rd place: \$50, 4th place: \$25.
 - All entries will receive a recognition certificate.
 - The first-place winner will be sent to National Grange.
-

- Oregon's judging guidelines are the same as **National Grange**.
