Questions will be gathered from the National Grange roster, Youth and Junior programs, past trivia challenges, manual, degrees, Grange history books, Digest of Laws, Journal of Proceedings, etc.

Regional contests:

- Regional Participants will be divided into two teams: Blue Agates or Golden Sheaves. State affiliations do not matter.
- Play will last for five innings or an hour and a half. In the case of a tie-breaker, an extra inning will be played.
- Each team will get 3 outs per inning. (An out is an incorrect answer.)
- When a player gets up to bat, they will get to determine what type of base hit they want: single, double, triple, home run.
- The type of base hit will determine the difficulty of the question.
- Participants will have 15 seconds to answer a single or double question; 30 seconds to answer a triple or home run question.

These participants will be referred to as "Silver Sluggers". For anyone not participating, team cheering sections are highly encouraged. Cheer gear will be provided by the National Grange Youth Department.

Anyone may participate at a regional level. Only Juniors/Youth/Young Adults will be able to participate at National session.

National Rules will be used at the Oregon State Grange Convention.

The top 3 contestants in the Junior Category will win a cash prize.

Ambassador Program

The Junior Grangers chosen to be an Ambassador need to show a desire and willingness to represent the National Junior Grange program. The expectation is that they will be exemplary representatives of the Junior Grange, participate in and lead Junior Grange activities at the National Grange Convention; act as ambassadors throughout the year; promote the Junior Grange Program; and exemplify leadership qualities.

Two Junior Grangers may be chosen and will be expected to attend the National Grange Convention. This program requires parent/guardian permission and participation. The Ambassador's family will be responsible for all costs including travel, housing, meals and registration.

Junior Grange Community Service Contest

The intent of this collaborative program between two Grange departments is to bring attention to the community service projects Junior Granges are doing. We know that some Junior Granges either perform Community Service projects on their own or in conjunction with their sponsor Granges. This would also be a way to enhance the 1+ program by drawing attention to what a single Junior Granger is doing in their community, and hopefully pique the interest of other children in that age range.

Please see the Community Service section of the Awards booklet for the information on this contest.

New this year is the Deaf Awareness Service Project, designed to reemphasize the Grange's longstanding commitment to supporting deaf culture and understanding in the wider community. See page 16 of the National Grange Guide to Contests.
