

NEW Junior Grange Community Service Contest

The intent of this collaborative program between these two departments is to bring attention to the community service projects Junior Granges are doing. We know that some Junior Granges either perform Community Service projects on their own or in conjunction with their sponsor Granges. This would also be a way to enhance the 1 Plus program by drawing attention to what a single Junior Granger is doing in their community and hopefully pique the interest of other children in that age range.

Please see the Community Service section of the Awards booklet for the information on this contest.
