

Section 2- Grange Law

In this section

1. Hierarchy of Grange Law

This organizational chart details how the laws of the Grange organization are organized.

2. Subordinate/Community Grange By-Laws Template

A template for Subordinate/Community Granges to use in creating or restating their by-laws. When the by-laws are complete and adopted by the membership, a copy should be sent to the State Grange for them to maintain in their files. Any time your by-laws are amended a new copy with the Certification page at the end needs to be submitted to the State Grange.

3. State Grange By-laws

A copy of the Oregon State Grange by-laws for reference. The Master/President of your Grange should become familiar with these. These by-laws may be changed at the State Convention every year. When amendments are made, you should put the updated edition in this binder.

4. Organization of the National Laws

A quick reference that details the sections of the National Grange Digest of Laws with explanations as to what is contained in each section.

5. National Grange Digest of Laws

The National Grange Digest of Laws (Digest) are the supreme laws of the organization. A new edition of the Digest is published each year after the annual National Grange Convention. When the new edition is published, use it to replace the old copy in this binder
